Dear Jazzarae:

We are writing to say thank you.

In the month of December 2014, your company made a contribution of stuffed animals and toys to be distributed to the children of the Boys & Girls Clubs of Southeast Virginia. t Virginia in the estimated amount of \$800. Thank you! You were very kind to support our boys and girls with your gift, and we are grateful.

You did not receive any goods or services in exchange for your gift and it should be fully deductible. As always, please consult your tax advisor.

Your support allowed us to do great things with our Club members and give them a memorable holiday experience!

This program works because our youth development professionals work with young people ***every day*** after school to keep them focused on achieving academic success, good character and citizenship, and healthy lifestyles. We are able to serve more than 3,000 boys and girls every year because of generous citizens like you, and we are thankful for your support.

Sincerely yours,

Keavy Dixon
